All weights are estimated and will vary based on the exact size of your cab. If weight is an issue, contact your SnapCab project manager for weight saving ideas.

All weights based on 96" tall cabs with a 7" ceiling drop. For taller cabs, please add approximately 7% per 6" of additional height.

## Crate Weights

Model Name	2000 lb	2500 lb	3000 lb	3500 lb	4000 lb	4500 lb	5000 lb
Standard Panel Crate	240	240	240	240	240	240	240
Standard Ceiling Crate	166	187	202	214	238	257	280

For projects with Glass or Stone wall panels, add an additional 80 lbs to the panel crate.

To save on shipping costs, each Economy Ceiling is packed in its corresponding panel crate.

To save on shipping costs, we ship up to four (4) Frame, Modular, or Venture Ceilings or two (2) Island or Aurora Ceilings together in one (1) ceiling crate.
